Religious Education	2 Hours per fortnight	2 Hours per fortnight

Triple Science is an option in Year 10, this is currently an accelerated academic pathway. In addition to the 8 hours of teaching in the Science Curriculum per fortnight, students receive an additional 5 hours of time in the Option block. Within that time, the students will have 4 hours of each of the three Sciences: Biology, Chemistry and Physics and 1 hour of GCSE Statistics to support them towards the highest GCSE grades.

Religious Education and Life Skills (PD) are taught in dedicated timetabled periods for all students in Years 10 and 11. All students have two hours of Religious Education and Life Skills (PD) per fortnight

Students in Year 11 have the option to sit additional GCSEs as appropriate. These have included Urdu, Italian and Persian for example.
