Dear Parents/Carers,

November is a busy month for our Year 11 students and here is a run-down of what will be taking place here at Audenshaw School:

Week commencing 06 November – Period 6 starts

Period 6 is our after-school revision programme that aims to support students in their studies, in all subjects, in order to be prepared for examinations in 2024.

The revision programme will follow a two-week timetable, similar to the one that students follow in school, and details of this will follow shortly.

- During **Week 1** we will have revision for Core subjects (Tuesday, Wednesday and Thursday).
- During **Week 2** we will have revision for Option subjects (Tuesday, Wednesday, Thursday and Friday).

These sessions will be based on an invite system in order for us to tailor sessions to individual students/groups of students' needs. Please keep an eye out for notifications in Class Charts.

We will be looking to put out a personalised timetable for students in all subjects so that they know what they have on each week. **I must stress though that if they are invited – they MUST attend and I would appreciate your support with this.** Communication with home will take place if your son does not attend his Period 6 sessions. They are vital to success in 2024.

Thursday 16 November – Year 11 Progress Evening 1 – 16:00 to 19:00

Thursday the 16th sees the first of our Year 11 Progress Evenings (previously Parents' Evenings), in-person, here at the school.

The evening will prove crucial to you and your son as you will meet with subject teachers to review progress to date, and to look at how we can work together to prepare for the upcoming examinations.

Information regarding making appointments has been sent by the school and I encourage you to book your appointments as soon as possible for this event.

If you require any further support in booking appointments, please contact the admin team via the details in the separate Progress Evening communication.

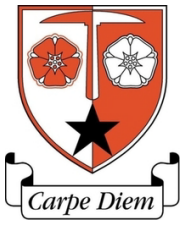

Week commencing 20 November – Early Mocks Begin

During this week we will be holding additional mock examinations in the following subjects in the Sports Hall:

- English
- Maths
- RS

- Computer Science
- History

Your son's will receive individual exam timetables and they will be informed of the examinations this week.

With the return to full GCSE course coverage, in all subjects, and the harsher 2019 grading standard, I am sure that you can appreciate how important this month, and those following it, will be.

Many thanks for your continued support.

Mr P Murphy

Vice Principal (Achievement and Standards)
