Dear Parents/Carers,

Welcome to the March update for Year 11 students and parents/carers.

Here is a run-down of what is happening in March 2023:

- 18th – 22nd GCSE Music Exam: Composing (30% of final grade). Composing to a brief.
- 19th – Assessment Point Three data collected; impact of work done since mock examinations.
- 22nd – Assessment Point Three data sent home to parents/carers.
- 28th – Year 11 Progress Evening 2 (16:00 – 19:00)

From InnerDrive: 4 THINGS STUDENTS SHOULD AVOID DURING REVISION

“Revision plays a pivotal role in the learning process. It isn't just about students cramming information into their brain to do well in an upcoming assessment – it's the process of cementing that knowledge in their mind for the long term.

But not all revision techniques are created equal. There are some common traps that students often fall into during their revision journey. These pitfalls can create hurdles in their learning path and jeopardise information retention.

Click on the link below to learn more about:

- *The importance of independent learning*
- *The negative impact of mobile phones on learning*
- *Whether students should listen to music while studying*
- *The pitfalls of cramming*
- *The key role sleep plays”*

Year 11 Progress Evening 2:

The final Year 11 Progress Evening is also scheduled to be held in March and we are very much looking forward to welcoming all our parents/carers to this event. This will be a chance for you to book appointments with all your son's subject teachers and discuss his progress. Any questions you may still have regarding GCSEs in 2024 can also be answered by our staff. Bookings for the evening are now live and you will have received a message via Operoo.

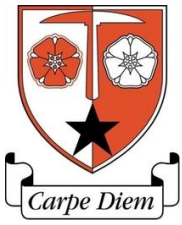

As this is the last opportunity to meet your son's teachers, it would be great to see as many parents/carers in attendance as possible, in what I hope will be a very productive evening and a celebration of how your son has shown resilience over the past two years in all his GCSE subjects.
