Triple Science is an option in Year 10, this is currently an accelerated academic pathway. In addition to the 8 hours of teaching in the Science Curriculum per fortnight, students receive an additional 5 hours of time in the Option block.

Religious Education and Life Skills (PD) are taught in dedicated timetabled periods for all students in Years 10 and 11. All students have two hours of Religious Education and one hour of Life Skills (PD) per fortnight.

iDEA and GCSE Mindset are taught at KS4:

- iDEA is a continuation of the ICT curriculum for all students in KS4.
- GCSE Mindset has been implemented specifically to support our students in their journey to becoming the exceptional young men, engaging in activities that have been specifically designed to boost resilience, positivity, and determination.

Students in Year 11 have the option to sit additional GCSEs as appropriate. These have included Urdu, Italian, Chinese, Arabic and Persian for example.
