Dear Parents/Carers,

Let me first take this opportunity to say 'Thank You' for your support over the last five years as your child's five-year journey culminates with the receipt of their GCSE results in August 2024.

We look forward to welcoming your child back to school on Thursday the 22nd of August 2024 to collect their GCSE examination results. These will be available between 10:00am – 11:30am in the school Dining Hall. Please make your way there via the main Dining Hall doors.

If your child is unable to collect their results in person, please contact the Exams Office to make alternative arrangements via our dedicated email address:
exams@audenshawschool.org.uk

On Result's Day, your child will be provided with a grade for each subject they have studied, and we hope that they are happy with the results they receive. As a school, we are very proud of the way that each and every one of our students has conducted themselves throughout their time here. They really have showcased our school value of 'resilience' and their recent conduct in the examinations has been exemplary.

Support and Guidance:

We know that there may be some questions around results on the day and we will have staff available to provide support and guidance.

Your child will also receive a post-result booklet containing all the information they will need for any potential next steps. An additional form will need to be completed at the time of results collection to enable the school to access any form of post-result service. This is purely and simply down to the fact that we will need your child's signature and approval.

Careers:

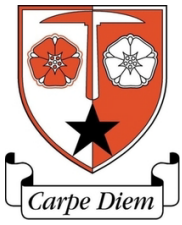

We are pleased that all our students have a plan in place for after Year 11. Careers Advisory Service, Positive Steps, and the Mental Health Support Team, will be available on results day to offer guidance and support to students should it be required.

Presentation Evening:

Please note that the Year 11 GCSE Certificate Presentation Evening will take place on Thursday 21st of November 2024 and a letter will be sent to you nearer the time detailing the arrangements. This is a celebratory evening when students are presented with their GCSE certificates. The details for this evening will also be available on the school's website.

Certificates for all 2024 exams will be kept in school until the end of December 2025. After this time, we will retain on record some details relating to results, but not the certificates themselves. In the lead up to this time, we will write to you to remind you of the deadline for the collection of GCSE certificates.

I would like to take this opportunity to thank you for all your continued support throughout your child's time here at Audenshaw School and wish them all the best for the future in whatever it is that they choose to do.

We look forward to welcoming them back to Audenshaw School on Result's Day.

Many thanks for your continued support.

Kind Regards,

Mr P Murphy

Vice Principal (Achievement and Standards)
