

Parent & Carer Newsletter

July 2026

As we reach the final newsletter of the academic year, I find myself reflecting on just how much our boys have achieved since September. This has been a year of real growth — in the classroom, on the field, on stage in the fabulous production of *The Addams Family*, and in the quiet, everyday moments of character that so often go unnoticed but matter most. Whether it's a Year 7 finding his feet or a Year 11 completing his GCSEs, every boy at Audenshaw has been part of something bigger this year, and I want to thank you, as ever, for the part you've played in that alongside us.

We were delighted to be awarded the Siobhan Dowd Grant to purchase new books for our Library to be chosen by students. A group of students were chosen to accompany Mr Herbert and Mrs Ridsdale who travelled into Manchester to visit Waterstones to purchase the books. Waterstones also kindly gave us a further discount to stretch the grant event further!

Tameside Boys Winners

Audenshaw School 🏆

ATHLETICS

Earlier this month our Athletics team took part in the Tameside Athletics Championships. After a very successful day the boys came out on top and we were crowned as the Tameside Boys Athletics Champions! Very impressive indeed.

It was a real pleasure this month to watch 7 prospective candidates present to the selection panel for the position of Head Boy. Each and every one of the boys did a superb job and really impressed the panel. After much deliberation, we are proud to announce that Lewis, Mehroz and Harry are the new Head Boys who will lead the student body next academic year, alongside the Executive Student Leadership Team and senior prefects. We look forward to seeing all of our student leaders in action next year!

MOCK INTERVIEWS

Well done to Year 10 who braved their first interviews this month by taking part in our Mock interview day. A big thank you to all of our volunteers who put the boys through their paces. If you feel you could give up a few hours of your free time next year and would like to be involved, please get in touch.

Parent & Carer Newsletter

July 2026

Huge congratulations to our Year 10 cricket team who have won the Lancashire Plate! A whopping 70 schools entered this competition and so to win it is a tremendous achievement. Well done, boys!

Mrs Butcher and the English department have enjoyed hosting several events with Audenshaw alumni which have showcased how strong English Language skills can open doors across industries. A huge thank you to the alumni you gave up their time to come into school.

At the end of last month Jake from year 7 and his grassroots football team

were invited to take part in the ACEs National tournament after winning the County Cup Final. Jake's team went on to win the whole tournament which makes Jake and his team the Best in England!! A massive achievement for Jake and his team, well done.

LAST WEEK

It has been a busy week with Sports Day, Rewards Day and Achievement Evening! Sports Day saw 7N, 8A, 9A and 10W as victors but congratulations go to all competitors who represented their forms.

Rewards day saw inflatables, an ice cream van and portable pizza at our school for some fun in the sun for all boys. We rounded off the academic year with a celebration and recognition of our boys' achievements in and outside the classroom at Achievement Evening! Well done to all prize winners and to our musicians Adam, Thomas and Blake for their performances.

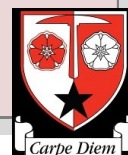

As the year draws to a close, I want to thank every member of our school community — staff, governors, and above all you, our parents and carers — for your continued support and partnership. It has made all the difference. I hope the summer brings each of your families some well-earned rest, time together, and space to look forward to the year ahead. We'll return in September ready to build on everything this year has taught us.

Wishing you all a restful and happy summer.

Holly Eckhardt

Principal
